S i r,

With reference to the fair to be held at Savanur on the 20th instant, I have the honour to enquire what sanitary precautions are proposed to be taken to prevent the spread of infectious diseases at the fair, and to request that you will kindly furnish the correct date if the one mentioned above be incorrect. -

*The fair is to be held this year on the 19<sup>th</sup> 20<sup>th</sup> & 21<sup>st</sup> of March/1916. But plague having been prevalent at Savanur at present, a notice is being published*

*In No: 134*

in a largely circulated newspaper  
drawn to the effect that the intending  
visitors should not attend the fair  
this year. so it is not likely that  
a large no. of people <sup>will</sup> gather here  
this year. There is a muntiy here.

The muntiy staff will see that  
the locality around the math where  
bramins gather for worship and

meals - is kept clean & free of rubbish &c.  
~~Arrangements will also be made for the supply of good drinking~~  
~~water to the few that attend the gathering.~~

There are good many  
wells containing  
good drinking water  
which will be made  
available for the people  
pilgrims.
